

Hi Jason,

Without your help, Jason, the college navigating, the stressful journey of finding the perfect college, and filling out financial aid paperwork would have never succeeded. Both of our children are the direct beneficiaries of your superior efforts. You helped find the "best" fit for your daughter and son while providing the financial aid that was essential to the decision! We received **\$27,300 in financial aid for ELON University, \$14,800 of that in grant money you never have to pay back.** For our son Thomas, we also received **\$30,800 in financial aid for Assumption College. That is \$11,800 in grant money. This totals to \$106,400 over four years of free money.** We value your insights and counseling so much that we are eager to share this testimonial to all parents who are in our shoes. I can't imagine how we would have achieved such a wonderful fit for our children and our financial situation without your brilliance and determination.

Thank you from the bottom of our hearts!

Best,
